26390	Veterinary Gamgee Gauze Roll 30cm 500g	30
8710	Veterinary Gamgee Gauze Roll 45cm 500g	24

Activate[®] – Carbon Dressing

Activated carbon dressing for cleansing infected wounds

Multi-layered dressing that absorbs bacteria within the dressing. Eliminates odour and absorbs exudates. Promotes rapid wound closure and improves normal healing process of wounds, promoting healthy epithelialisation. Indicated for chronic wounds not responding to treatment. Reduces frequency of dressing changes. Dressings are supplied sterile.

Product Code	Description	Unit of Sale
7903	Activate Carbon Dressing 10cm x 15cm	5's x 10

Vetalintex[®] – Wound Hydrogel

A clear, viscose starch based hydrogel dressing

Vetalintex[®] is easy to apply and has excellent donation and absorption properties which have been found to maintain optimum hydration levels. The hydrogel is supplied sterile and has a gentle cleansing action.

Product Code	Description	Unit of Sale
6563	Vetalintex Sterile Hydrogel 15g Tube	10's x 2

Equiwrap[®] – Cohesive Bandage

Flexible, lightweight cohesive bandage

A powerful, yet flexible bandage that is ideal for support, protection and dressing retention. It is ideal for dressing awkward contours and areas. Tears easily and accurately by hand for quick application and is lightweight, but has superior strength to safely remain in position. Clean and easy to use, equiwrap[®] sticks to itself but not to skin or hair. Available in 10 colours.

Product Code	Description	Unit of Sale
8660	Equiwrap Cohesive Bandage – Black	12
8661	Equiwrap Cohesive Bandage – Blue	12
8663	Equiwrap Cohesive Bandage – Green	12
8664	Equiwrap Cohesive Bandage – Red	12
8665	Equiwrap Cohesive Bandage – White	12
